

## Cyara and Circle Consulting & Software Partner to Provide Real-Time Customer-Experience Monitoring

*Circle adds Cyara's CX assurance technology to expand its range of innovative and cost-effective solutions for contact centres*

**REDWOOD CITY, Calif.—April 2, 2019:** [Cyara](#) is partnering with [Circle Consulting & Software](#), a New Zealand systems integrator that specialises in customer-engagement technologies. Through the partnership, Circle will expand its real-time customer experience (CX) monitoring and reporting solutions with a new offering, *Guardian powered by Cyara*. Guardian provides automated, independent assurance that key customer-engagement channels are performing optimally and reliably, and alerts companies whenever their customers are experiencing a degradation in service.

“Our partnership with Circle means we can solidify and expand our presence in the New Zealand region, and enable more organisations to be confident that their customer journeys are friction-free,” said Alok Kulkarni, CEO and co-founder of Cyara.

“Our Guardian service is based on the award-winning Cyara solution, and we believe Guardian will provide companies with confidence that their customer-experience platform is performing optimally—whether in the cloud or on-premises. Further, this insight is end-to-end, rapid and actionable—and simple to install and manage,” said Peter Merwood, managing director of Circle.

### **The Cyara CX Assurance Platform**

The award-winning Cyara CX Assurance Platform helps companies accelerate CX development, increase quality across all digital and voice channels, and assure the quality of customer journeys from beginning to end.
